

PATIENT SAFETY CARD - QUICK REPORT (handwritten)

Community pharmacy walk-in report | SYNTHETIC TEST DATA ONLY

Name (initials only): AK.

Age/Sex: 51 / F

Product: Ferrolix syrup

Batch (if visible): not clear on bottle

What happened:

Took 1 spoon syrup for cough, within 30 min felt dizzy
and lips started tingling, mild swelling of tongue.

Did not need hospital, sat down and it went away in
about an hour. Scared so decided to report.

Hospitalized?: No

Reported by: duty pharmacist

Date: 16 Aug 2026
